

Cancellation Policy

We understand that sometimes a patient is unable to make a scheduled appointment due to unforeseen circumstances. However, we require patients to reschedule or cancel appointments within 24 hours of a scheduled visit.

If you are a no show or fail to reschedule/cancel an appointment without giving the 24 hours notice, you will be charged as follows:

- \$25.00 Office Visit
- \$75.00 Physical Exam or New Patient Appointment

I am sure you are aware that missing an appointment prevents us from giving you the care needed. However, it is also detrimental to us because it prevents us from scheduling another who needs care as well.

Fees must be paid prior to the patients' next visit.
